

TRACKING AND SEEING WITH ALL YOUR EYES DIVINATION

MAY 31-JUNE 3: SEATTLE, WA • \$400

Peruvian shamans believe luminous threads bind energy into matter. We can track these luminous threads, stalking unseen energies, and release them. Thus, at this Workshop, you will be learning to eradicate fear and fear-based behavior, and working directly with advanced techniques of polarity and harmonization. We invite you to join us in a quiet, private setting. *Space is limited to 24 participants so our work may be focused and personal. If you are feeling called to join us in this opportunity, please register soon.*

YOU WILL LEARN:

- To see your own shadow clearly;
- How to integrate the Royal Couple — your inner male and female;
- How to harmonize rather than polarize situations;
- To work directly with The Seven Energies of the unconscious;
- Advanced work with lifetime or encrusted huchas;
- To eat and incorporate nature energies — storms, rainbows, clouds, etc.;
- Advanced Ring of Power techniques, using our polarity to serve others;
- Deep exercises using the Five “Ñawi” or Eyes of the Bubble, as well as how to heal using the “Ñawi.”
